BESPOKE TILES
NATURAL COTTO SPEC GUIDE

NEW TERRACOTTA
— PORTUGUESE HANDMADE —

Natural Cotto tiles are made by hand using a slow but simple process that has been employed since Roman times. Using only natural raw materials, each tile is hand-moulded, dried on a wooden bat and then wood fired for about 48 hours to well over 1000°C, becoming resistant to very low temperatures.

FORMATS

BRICKS

24 x 11 x 2

24 x 5 x 11
